Integrated mic

HD 429s

 **SENNHEISER**

## HD 429s

With Sennheiser's HD 429s universal head-set for on-the-go music, entertainment and communication, you can enjoy Sennheiser sound quality everywhere regardless of which smart phone you have. The high-output neodymium magnets provide an outstanding audio performance with smooth bass response, while the closed around-the-ear headphone design isolates against ambient noise. Easy management of calls and tracks is achieved with the smart in-line remote with integrated microphone.

### Benefits and Features:

- Universal fit - fits virtually any smart phone in the market featuring 3.5mm headphone jack\*, including Android, Windows Mobile, RIM (Blackberry) and IOS devices
- Hit the streets with powerful bass – high-output neodymium magnets for stereo sound with smooth bass response
- Ambient noise isolation –closed circum-aural headphone design
- Easy Call Control – In-line remote with integrated microphone makes it easy to take/end calls\*.
- Easy Music Control – The in-line remote at the same time enables you to easily play/pause music\* and change track\*
- Freedom of movement - single-sided cable reduces tangling
- Comfortable fit – provided by innovative and ergonomic design
- Peace of mind – two-year international warranty

\* Functions are phone dependent. Compatibility and functioning list can be checked on [www.senncom.com/HD429s](http://www.senncom.com/HD429s) or by scanning the QR code on the packaging.
